1. Tell me about yourself?

2. Why do you want to work at our company?
I have totally 9+ years of experience in the small organization.
I want to work at your company because this is one of the top most company and well reputed organization.
And one of the fastest growing company in India.
People feel proud to be a-part of this company.
And my dream is I want to place in reputed company like yours.
I want to work in your company for learning new things and also to improve my skills and knowledge. I want to grab good work experience better than previous company. And this is the best opportunity to me.
If I join this company then definitely I will learn a lot from this company.

3. Why should I hire you?
If you hire me I will show my skills on that platform whatever goals I set I will complete them in right time and given time if you give me a chance I would like to show my skills and I want to face new challenges and I am hardworking and quick learner person and I always give my best I will never dissapoint you.

4. How many hours a week do you normally work?
Sir, for me getting work done is more important than counting hours.
It depends on the company's base. But I did not see whatever I have done I always see the remaining work. After completing the work no need to sit on the work station.

5. Why did you leave your last job?
Sir, it's a career move. I have learned a lot from my last job, but now I am looking for new challenges to broaden my horizons and to gain a new skill-set.

6. What do you know about this organization?
We all know that it is one of the fastest growing infrastructure company in India. The facilities provided to the employee is best. People feel proud to be the part of your company as the company provides full support to their employees in professional front. The working environment of this company is decent. It has crossed the branches in the world also. And I was in search of this type of company.

Or

We all know that this company is India's no.1 company for development. I was delighted to see on your company website that your employees are talking about how great it is to

work for your company. Now these days, so many people seem to hate the company where they work for one reason or another. It's great to see that your employees are proud to talk about how much they love their company and jobs.

7. What is more important to you: the money or the work?

"I would say that work is more important. If we work and achieve Company goals then obviously money would follow. I believe work to be prior."

8. Would you like to work overtime or odd hours?

I know that in the company being asked to work for an extended number of hours comes with a good reason, so I am ok with it. It an extra effort means I am doing something for the company, I'll be happy to do it.

9. Why are you applying for this job? (or) Why this role attract you?

Sir, it's a great privilege to work in a reputed company like yours. When I read about your requirement, I found that my skills are matching with them. Through this role, I can show my technical skills to contribute to the company growth.

10. What are your salary expectations?

My salary expectation

11 . Assume you are hired, then how long would you expect to work for us?

I will work with the company as long as my presence benefits the company and I get opportunity to grow and develop both professionally and monetarily.

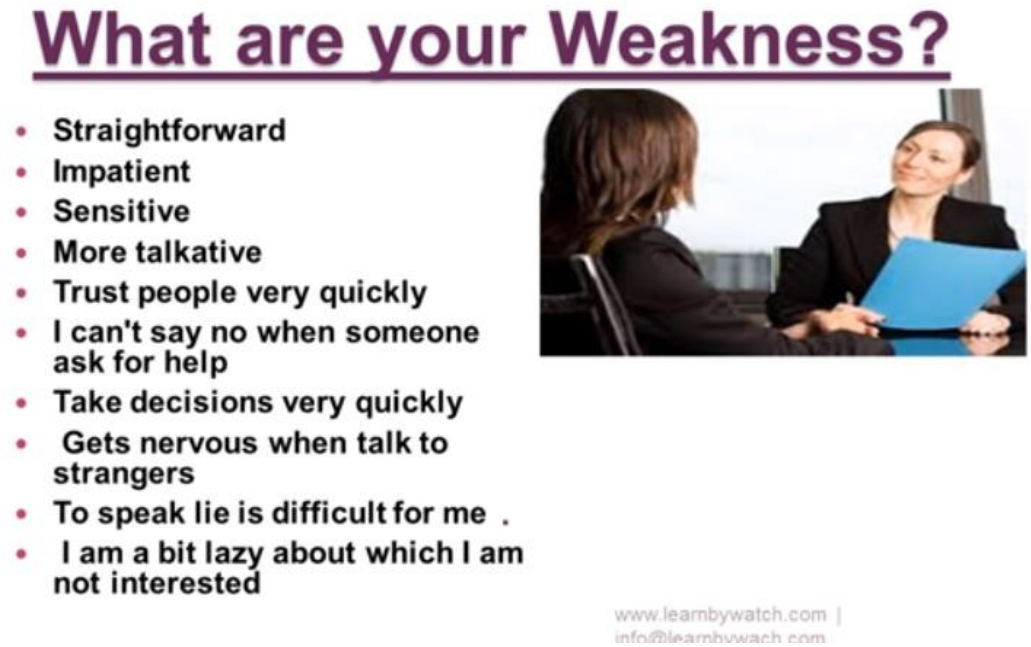
12. Is notice period negociable?

Yes, It will be buyout if any company wants to hire me before completing notice period.

Optimistic: hoping or believing that good things will happen in the future

Persistence: the fact that someone or something persists

Quick learnerS



3. Talk about why you need this job.

Example 01

I am quite happy with my current job.

But, I am looking for a more productive role that suit my skills & ability to grow further.

I am a quick learner and ready to take new challenges required to perform better.
